Subject: PRECAUTIONARY GUIDELINES ON ONLINE MEETINGS

The Office of the Undersecretary for Administration (OUA) and the Information and Technology Service (ICTS) have received several reports of unwanted and disruptive intrusions and infiltrations (also known as zoom-bombing or zoom raiding) on online meetings. As such, OUA and ICTS strongly recommend that all teachers and nonteaching personnel only use the following platforms for video conferencing:

a) Google Meet
b) Microsoft Teams
c) Workplace by Facebook

In addition, all are instructed to strictly follow these guidelines when creating, scheduling, distributing, and managing online meetings with personnel or learners:

a) use your official primary DepEd email (@deped.gov.ph) in accessing/using Video Conferencing Apps;
b) consolidate official details of the participants (e.g., full name, email address);
c) create contact list of verified participants on the video conference apps;
d) create a scheduled meeting and strictly use the contact list created;
e) send the scheduled meeting to participants’ email address (this is automatically done by the video conferencing apps);
f) participants must only refer to the link sent to their email address;
g) do not share the meeting link or code in Social Media or other unofficial mode of communication;
h) host of the meeting should not accept anyone requesting to join the meeting who is not included in the contact list;
