Subject: Request for endorsement of Virtual Career Webinar among Grade 10 and Grade 12 students.

Dear Ma'am Cristy,

Greetings from Informatics!

We are one of the pioneering Computer Schools in the Philippines providing quality education and producing thousands of graduates since 1993.

With the latest development in the education system brought about by the worldwide pandemic, Informatics Philippines is one of the first to setup its Online Schooling powered by International platforms of top caliber.

This is exactly what we wish for the students of Digos City to experience on their Senior High School and College journey in Informatics College. Alongside with this are the following benefits :

Senior High School

- ✓ No Top up Fees (Free Tuition Fee)
- ✓ No Entrance Exam
- ✓ Full Online Schooling
- ✓ All platforms are accessible even in mobile devices.

Higher Education

- ✓ Special Scholarship ion Partnership with DepEd Davao City
- ✓ All platforms are accessible even in mobile devices
- ✓ Flexible Schedule
- ✓ IT Powered courses and diploma programs

In line with this, may we humbly ask for a possible conduct of **Virtual Career Webinar** among your **Grade 10 and Grade 12 students**. We can conduct our career talk starting **April to May 2022** for all **DepEd Public & Private schools**.

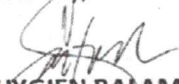

Informatics will provide necessary platforms to conduct the virtual career talk. We would like to also offer our free access of our e-learning platform (SkillSoft-Percipio) for the students and teacher interested to experience our online schooling.

We are looking forward for your favorable response on the matter.

Thank you so much and more power!

Please feel free to contact me if you have any clarifications.

Sincerely,

NHYGIEN BALAMBAO
