DEE SILVA, PhD
Schools Division Superintendent
Division of Compostela Valley

DepEd Schools Division of Digos

Dear **DR. SILVA**:

Greetings!

We would like to express our sincerest gratitude for your support to the conduct of Module 1 of the Seminar-Workshop Series on Promoting Substantive Pedagogy through Action Research last April 2016. The said module was attended by about 370 teacher-researchers from all over the country and abroad, wherein about 80% consists of DepEd Schools Division Superintendent, Education Program Supervisors, district supervisors, principals, teachers, and other DepEd personnel and staff.

As we continue our commitment to promote the conduct of Action Research for continuous improvement among teacher practitioners, we would like to request for your endorsement for the implementation of Modules 1 to 3 of the series. Specifically, we strongly encourage participation of Education Program Supervisors, district supervisors, principals, and classroom teachers. Highly distinguished researchers and select professors from top universities in the country and abroad will deliver these modules. We attached to this invitation the brochure and DepEd Advisory for your reference. Other information about this series may be found at www.anakbase.com.

Should you have inquiries regarding this invitation and request, we will be happy to discuss this with you through mobile no. +63917 588 5696 or email at myknowledgeb@gmail.com.

Thank you and we look forward to welcome participants from your division to the community of Philippine Action Researchers.

Sincerely,

JOVITO C. ANITO, JR
Training Coordinator, AR Series

Ocampo St., Pio del Pilar, Makati City at telephone no. (02) 796-7757; mobile phone no.: 0917-588-5696 or through email address: myknowedgeb@gmail.com and website address: www.anakbase.com.

Building a Community of Teacher-Researchers

A&A commits to help build a community of teacher-researchers whose members are empowered and actively engaged in the systematic examination of teaching practices. The community aims to continuously effect positive change and improve learning outcomes in the Philippines.

Last April 2016, about 400 teacher-practitioners took the first Module of the Action Research series, wherein about 80% consists of Schools Division Superintendent, Education Program Supervisors, district supervisors, principals, teachers, and other DepEd personnel and staff.

A&A trainings feature group and one-on-one consultation and mentoring, as well as plenary presentation of workshop outputs.

Our Speakers and Facilitators

A&A trainings are delivered and facilitated by experts and specialists, including:

Prof. William "Bill" Atweh

Dr. Bill is the author of the book "Action Research in Practice" among seven other refereed edited books from top international academic publishers such as Lawrence Erlbaum, Springer, and Routledge. Dr. Bill has published over a hundred refereed journal articles, conference papers, commissioned reports, and textbooks. His main interest is educational research, specifically on sociocultural aspects of education and action research for teachers' professional development. He spent 25 years as professor at Queensland University of Technology in Australia and as visiting professor to various Universities worldwide.

Prof. Maricar "Bing" Prudente

Dr. Bing is the 2015 Top 2 Filipino Scientist (among other global citations and awards), a distinction made by Google Scholar based on publication citations. Dr. Bing has published numerous high impact research articles in ISI and Scopus Indexed academic Journals in the field of Chemistry and Science Education. She is also the 2015 Achievement Awardee of the National Research Council of the Philippines (NRCP). She is currently a Full Professor at De La Salle University (DLSU), chair of the Science Education Department of DLSU, and Director of the Lasallian Institute for Development and Educational Research (LIDER), the host research institute of Action Research, Action Learning (ARAL) in the Philippines.

National Seminar-Workshop Series on Promoting Substantive Pedagogy through Action Research

"Researching the Practice, Practicing the Research"

*Module 1: Developing Action Research Plans for
Continuous Improvement*

*Module 2: Collecting and Analyzing Quantitative
Evidence for Action Research*

*Module 3: Collecting and Analyzing Qualitative
Evidence for Action Research*
