Dear Atty. Escobarte,

Greetings of Peace! This year the culture of Track and Field (Athletics) in Mindanao continues to prosper as the Ateneo de Davao University- Office of the Athletics presents the 2016-2017 Blue Knights Track League Season 3 here at the Fr. Martinez Sports Complex Track Oval, Ateneo de Davao University Matina Campus, Mc. Arthur Highway, Matina, Davao City on July 2016-February 2017. From its humble beginnings in 2014, the Blue Knights Track League is growing as the only independent Athletics meet in Mindanao. The event allows selected teams from Luzon, Visayas, and Mindanao to have a better experience by providing an alternative events which we aim to raise the culture of Athletics in our country.

The success of this tournament is dependent on the support of the whole Athletics community of Mindanao. That's why we would like to ask if we can do a partnership for the event especially providing the endorsement from your office so that our athletes and coaches in our region will be motivated to participate in this activity starting **16-July-2016**.

I hope we can have a great partnership for the promising athletes of Mindanao. If you have further inquiries, feel free to contact me or the University Athletics Office anytime. Thank you very much and I look forward hearing from you.

For the athletes of Mindanao and Greater Glory of God,

### ADVISORY

To whom it may concern:

The Season 31 of the PSC – PATAFA Weekly Relay will be held at the Philsports Track and Field Oval in Pasig City starting this July. This season, we intend to hold this grass root program nationwide for young athletes who want to engage in the sport of Athletics. We have advised our PATAFA Regional Directors to organize the same program in their region and we intend to launch the games simultaneously on July 3. The qualifiers in this region will have the chance to compete in the national finals on November 5 and 6 at the Philsports Track and Field Oval in Pasig City, NCR.

This season we are designating Mr. Airnel T. Abarra, head coach of the Ateneo de Davao Track Team as the Tournament Manager of the PSC – PATAFA Weekly Relay Competition. In the absence of PATAFA Regional Director Ms. Belen Quimpis Taala who is indisposed and cannot be contacted, Mr. Abarra, is very willing and excited to organize and oversee the conduct of this project on its launching this coming July 3. He is very well supported by his boss Noli Ayo of the Ateneo de Davao University.

The Relay is open to all who wishes to indulge in the games of Athletics. Likewise it opens up opportunities for coaches to enhance their expertise in coaching through exchange of technical knowledge, experience, information and skills in coaching. The Technical Officials will have the venue to hone up their knowledge, put into practice their skills in officiating and prepare themselves for high level competitions. Furthermore, this competition serves as the training ground of all athletes from the different Athletic Leagues like the UAAP and the NCAA in Manila and of course the Blue Knights Track League Competition in Davao. This project also provides competition for the out-of-school kids who want to get involved in sports and prevent them from indulging in narcotics.

The task is very much appreciated by Mr. Abarra having organized the Blue Knights Track and Field Championships in Ateneo de Davao University since 2014. All other concerns regarding the organization and implementation of this project in Davao City lie in the hands of Mr. Abarra. He needs all your support and cooperation for the success of this event.

Thank you very much and GOD BLESS!

Very truly yours

**REYNATO G. UNSO**  
Secretary General
