Dear Ma'am,

Greetings of peace and love!

**ANCOP** (acronym for Answering the Cry Of the Poor) is the institutional work with the poor of **Couples for Christ**. Guided by its vision of "*bringing Christ's transforming love to the poor*", **ANCOP** sends less fortunate children to schools across the country among others.

**ANCOP** is currently undertaking a **Child Scholarship Program (CSP)**, benefitting thousands of students from indigent families in Metro Manila and some provinces all over the Philippines. We believe that education is a *crucial* step towards breaking the Cycle of Poverty amongst the poor.

In 2011, we launched the **ANCOP GLOBAL WALK**, a fund raising event that has been attended by different organizations, communities, companies, high schools and colleges. And in 2012, we surpassed another mark and gathered groups of people from different walks of life and funded *ten scholarships* which were granted to the qualified local scholarship applicants within the province of Davao del Sur. For the succeeding years, with the effort and funds raised through the event, we were able to send more children to school. By the grace of the Lord, some of our scholars already graduated from high school and college with the course of their choice, and attached herewith are some of their details.

On our sixth year, the **ANCOP GLOBAL WALK 2015** will be done simultaneously in Metro Manila and provincial areas on **August 14, 2016, Sunday at 4:00am**. Members of Couples for Christ and its Family Ministries together with their families and friends are all eager to join in this huge endeavor to walk for a cause. A minimal registration fee of **P300** per head will allow them to be part of this noble event and **P50.00** per head for students that will become a part of our cause.

Hoping to raise awareness and funds that would finance the efforts of **ANCOP** in **CSP** and beyond, the **GLOBAL WALK** is envisioned to pump-prime the **CSP**.

We invite your **university/school** to participate in this advocacy and partner with us through the inclusion of the **Global Walk** in your university's **NSTP** on this particular Sunday.
