Director IV
Department of Education
Region XI, Davao City

Dear RD Escobarte,

Greetings from PRISAA!

Private Schools Athletic Association since, has been successfully staging annual athletic meet for provincial, city, regional and national sports competition to harness the potential of student athletes for excellence in sports.

Starting Academic Year 2013-2014, secondary level was included in the annual competition to give justice to the holistic growth of Basic Education clientele, of which only Region XI is not in active participation, thus we request that you may direct private schools in our region to join and participate in the most organized Private Schools Athletic Association, the only athletic association from the private schools authorized by the government to collect athletic fee.

In this connection, we would like to request from your office for a directives to all private schools to be one in spirit in sports for a voluntary membership of private schools secondary institutions to PRISAA. We also request for an authority to allow PRISAA member schools in the secondary level to collect PRISAA fee of at least Two Hundred Pesos (Php200.00) per year.

We hope for your kind attention and favorable action on this matter.

Thank you and more power.

Very truly yours,

MA. LITA A. MONTALBAN
President
