Strengthening Governance Worldwide

PAI specialises in management consultancy, training and development services for organisations in, and associated with, the public sector worldwide. We provide advice and support for governments going through political, economic, structural and legislative change. Our extensive network of associates includes practitioners, academics and independent consultants. Our key objectives are promoting good governance and good practice.

We pride ourselves on our:

- High quality, practical advice and support for our clients
- Professionalism and integrity
- Ability to offer excellent value for money
- Sound experience and track record internationally
- Networks and partnerships across the world
- Flexible, collaborative approach
- Friendliness and focus on putting people first.

In addition to our annual professional development workshops, we also have sound experience of running workshops on request. We can arrange tailor-made training either in-country or in the UK to meet the specific needs of groups at all levels within your organisation. Please contact us if you would like further information.
