Information System Development Training-Workshop

To: Schools Heads  
School ICT Coordinators

1. As this country advances through the 21<sup>st</sup> century, the use of technology to research, organize, evaluate and communicate information has grown. And as the public has learned to accept Information and Communication Technology (ICT), the Development and the Use of the Web-based Information System is a huge factor of an organization's management and development.
2. It is one of the goals of DepEd Digos City Division to train and capacitate the ICT teachers and personnel to innovate and use technology to improve teaching and governance. A **Training-workshop on Information System Development using PHP scripting language** will be conducted on April 9, 12-14 & May 2-4, 2018 at the Division Office Function Hall.
3. Attached are the list of participants for this training. Teacher-participants are entitled of Service Credits. Non-teaching personnel are entitled of Compensatory Time-Off on days of trainings that falls on Holidays, Saturdays and Sundays.
4. Participants are requested to bring their own laptops, USB and other training materials. Meals will not be provided, thus, participants should bring their own food.
5. Transportation and other incidental expenses may be charge to local funds subject to the usual accounting and auditing rules and regulation.
6. For information and immediate dissemination to all concerned personnel.
