SUBJECT: CALL FOR NOMINATIONS TO THE FUTURE ACHIEVERS  
INTERNATIONAL - PHILIPPINE CHAPTER

DATE: October 29, 2015

The Future Achievers International (FAI) is a spin-off from the Canadian Future Achievers (CFA) program which recognizes and provides financial awards to outstanding minority youths of Caribbean and First Nations origin. Under the CFA, school principals across Canada are encouraged to nominate candidates who meet the program's eligibility standards for financial support until they enter the post-secondary institution of their choice.

The objective of these programs are to provide positive reinforcement for Future Achievers, to encourage them to maintain high expectations for themselves, and to complete their high school and post-secondary studies.

Similarly, the FAI supports selected candidates through their formative years by way of annual monetary awards and, ultimately, a one-off lump sum to assist their post-secondary studies.

The FAI Selection Committee of the University of Ottawa, Canada, will select a maximum of four (4) Future Achievers who are academically strong and community-involved, 12-16 years old public high school students from the Philippine Chapter.

Upon selection by the FAI Selection Committee, all Future Achievers will receive a Sign-Up monetary gift as well as a yearly monetary gift for the succeeding years of involvement with FAI. They are likewise awarded with a lump sum monetary gift as soon as they graduate from high school.
