SUBJECT : *Registration of Radio Communication Facilities in DepED Offices and Schools*

DATE : July 18, 2016

The National Telecommunications Commission (NTC) Region XI conducted the inspection of land/mobile base and handheld/portable radio equipment in some schools, this Region. It was found out that some of the equipments were not duly registered, hence, the operation or use is illegal; no permits or licenses were shown to the NTC Inspectorate team.

To comply with the requirement of the NTC, and to avoid any penalty, this Office requires that all radio equipments be registered and that the permits/licenses to operate be made available in case the NTC Inspectorate Team would conduct an inspection.

For strict compliance.
