Attention: Schools and District Offices under Division Offices

Greetings!

We are pleased to inform you that the PhilGEPS has been benchmarked and studied by neighbouring countries who envision having their own central e-procurement system. As well, PhilGEPS officials have been invited to present the PhilGEPS program and experience in various fora, symposia and other gatherings of world-renowned e-Procurement organizations and practitioners such as those in the United States, South Korea and Singapore. In all these international gatherings, the efforts of the Philippine government in pushing for reforms in government procurement were recognized and commended. Multi-lateral development partners like the World Bank (WB) and the Asian Development Bank (ADB) acknowledge the fact that the PhilGEPS is a viable instrument in the government's efforts at improving efficiency in the procurement function and has accepted the PhilGEPS for application on ADB and WB- funded procurement projects.

It goes without saying then, that the PhilGEPS has been continuously making system improvements such that from March to June 2013, no trainings for Buyer Agencies and Suppliers were conducted due to the deployment of new functionalities like the Government of the Philippines-Official Merchant Registry (GOP-OMR) and E-Bidding for Goods and Civil Works.

It is for this reason that we are extending this invitation to your **Schools Division and all the schools within its jurisdiction** to attend the PhilGEPS Training for Phase 1, and all other succeeding trainings for new system developments on the PhilGEPS so you so you can re-visit and familiarize yourself again with the use of the PhilGEPS and keep pace with the systems upgrade. We acknowledge that DepEd has issued Department Order No. 6, S. 2008 with regards to PhilGEPS registration and posting, and we hope that implementation of such within the DepEd is adhered to.
