Our pilot of *Gearing Up Responsible and Outstanding Teachers in Southeast Asia for the 21st Century* (GURO21 Course 2) successfully concluded last August 11 with 125 course completers, all classroom teachers from your region. Reaching this milestone would not have been possible without your continued support, and for this we thank you.

Our latest achievement notwithstanding, our team would like to ensure that the delivery of *GURO21 Course 2* meets the standards of quality upheld by the Center.
