Attention: **Mrs. Ma. Consuelo D. Estrada**
Chief Of Curriculum And Learning Management Division

Dear Atty. Escobarte,

Greetings from Resources for the Blind, Inc.

As an institution advocating for quality education and placement for the blind or visually impaired, we have been facing the reality that these students have been kept out of Science, Technology and Math classes. This problem can be attributed to several reasons predominantly on access to materials and the shortage of teachers trained to teach these disciplines.

For this purpose, our office in partnership with the Overbrooke Nippon Network on Educational Technology (ON-NET), will hold a 3-day STEM Training on October 27-29, 2016 at Hotel Asia, Don Jose Avila St., Capitol site, Cebu City. This training aims to equip Math and Science receiving and resource teachers on the strategies, technologies, instructional materials and other resources vital in teaching to make the curriculum accessible for students with visual impairment.

With this, may we request your office to allow the selected receiving teachers to attend the said training? For your reference, please find attached list of participants.

Below is important information regarding the training?

1. The Resources for the Blind will cover the cost of materials, meals and accommodation during the training period.
2. There will be registration fee of Php 1,500.00/head to defray training expenses.
3. Participants registration fee and travel expenses to and from the venue shall be charged to their local fund, MOOE and/or SPED Downloaded Funds subject to its availability and the usual accounting and auditing rules and regulations.

For confirmation and inquiries please contact Resources for the Blind, Inc. at (032) 415-0329/ 0915-2038003 and look for **Mr. Ryan Q. Operario** between 8:00A.M. to 5:00P.M. from Monday thru Friday.

Thank you very much. Looking forward to hearing from you.

Sincerely yours,

GINA S. PANULDE
Branch Director

Cc: Schools Division Superintendent
