Region 11

Attention: **Stephen Pascual**, ICT Division Focal Person

Dear Atty Escobarte,

Greetings!

We would like to take the opportunity to thank you for having us participate in the recent DepEd ICT Conference held in Ritz Hotel, Davao City.

Together with Apple, we already supported Don Mariano Marcos Elementary School in Digos for workshops on content creation using the iPads and Macs for porting of their content to the iTunesU courses that is the worlds largest repository of content/materials.

In line with the continuing support for Region 11, we would like to offer a 5-day training for the region with the objective of giving them preview of the latest in technology - mobile programming primarily focused on the IOS platform. The content includes SWIFT programming, as well as ECC - everyone can code module that is best for K12 levels.

This is a free event and no cost to DepEd except perhaps the transportation to the venue. Meals during the workshop and accommodation will all be subsidised.

Date: December 11-15, 2017
Venue: Holy Child College of Davao, Jacinto Campus.
Time: 8:30-5:30PM
Hotel: To be provided.

Attached is the participants list for this training session.

We are excited host this training and we look forward to your approval.

Sincerely,

Ms. Kristina Canlas
Education Manager
