Ronald B. Dedace
Senior Education Program Specialist - HRD
Department of Education
Digos City Division

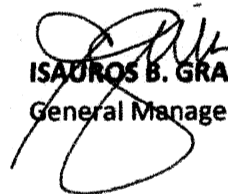

Dear Mr. Dedace,

In celebration of the Climate Week, the Digos Water District and the Global Village Association will initiate a Climate Literacy on April 27 -28, 2017. It will be participated in by the different members of the community including children and youth leaders. It aims to heighten people's knowledge on the changing climate and the importance of growing trees as a way of adapting and mitigating the negative impacts of climatic instability.

In this connection, we are inviting you to the said environmental gathering which we believe will pave the way for more proactive stance on environmental issues such as climate change. Attached is the Program of Activities for your reference.

We hope to see you and work with you for the betterment of our environment. We believe that you are one with us in promoting proactive environmental stewardship among Digosenses. Thank you very much.

Very truly yours,

ISAUROS B. GRAVADOR
