Attention: Schools and District Offices under Division Offices

Greetings!

We are pleased to inform you that the PHILGEPSS has been benchmarked and studied by neighbouring countries who envision having their own central e-procurement system. As well, PHILGEPSS officials have been invited to present the PHILGEPSS program and experience in various fora, symposia and other gatherings of world-renowned e-procurement organizations and practitioners such as those in the United States, South Korea and Singapore. In all these international gatherings, the efforts of the Philippine government in pushing for reforms in government procurement were recognized and commended. Multi-lateral development partners like the World Bank (WB) and the Asian Development Bank (ADB) acknowledge the fact that the PHILGEPSS is a viable instrument in the government's efforts at improving efficiency in the procurement function and has accepted the PHILGEPSS for application on ADB and WB-funded procurement projects.

The PHILGEPSS System Modernization Project is on-going and is aimed to improve on the technical design and architecture of the system to ensure further efficiency and streamlining towards full implementation of electronic procurement in our country.

It is for this reason that we are extending this invitation to your Schools Division and all the schools within its jurisdiction to attend the PHILGEPSS Training for Phase 1, and all other succeeding trainings for new system developments on the PHILGEPSS so you so you can re-visit and familiarize yourself again with the use of the PHILGEPSS and keep pace with the systems upgrade. We acknowledge that DepEd has issued Department Order No. 6, S. 2008 with regards to PHILGEPSS registration and posting, and we hope that implementation of such within the DepEd is adhered to.
