Dear **Director Escobarte**:

With the utmost goal to help our teenagers face the challenges they are confronted with at present using new media, we are glad to inform you that the Commission on Population (POPCOM) will once again be conducting a **National Adolescent Health and Youth Development (AHYD) Independent Film Festival** which will culminate on December 5-9, 2016 in Manila.

Each region is invited to compete in the Film Festival by conducting a regional short film contest and submitting its winner as regional entry for a chance to be recognized as the National Film Festival Winners with cash prizes. The short film should have a running time of **20 minutes** and should revolve around topics on Population, Health and Environment (PHE) and Adolescent Sexuality and Reproductive Health (ASRH) with the theme, "**Kabataan, Kalusugan, Kalikasan: Magkaugnay.**" Only one entry per school will be allowed. Deadline of submission of film entries will be on September 16, 2016.

In relation to this, we would like to request the assistance of your office of the following:

- Allow and assist Grades 9, 10, and 11 students to produce the short film.
- Send coach as representative to attend and accompany the students during the National/Regional Awarding Ceremony and Workshop.
- Help organize students to create awareness-raising activities within the campus on PHE, adolescent sexual and reproductive health issues - particularly teenage pregnancy, STI and HIV/AIDS and other risky behaviors.
- Allow showing of their locally-produced films in schools.

We would like to highlight that a pre-requisite to joining the contest will be the participation to the **PHE/ASRH and basic filmmaking orientation-workshop**. We would therefore like to invite student filmmakers particularly, **1 director, 1 writer and 1 coach** per participating school, to the orientation-workshop scheduled on **August 10-12, 2016** in Davao City. Deadline of submission of names of participating schools and names of students is on **July 29, 2016** using the format in the guidelines. Limited slots are available.

2016 ADOLESCENT HEALTH AND YOUTH DEVELOPMENT (AHYD)
INDEPENDENT FILM FEST GUIDELINES

Introduction

Young people make up one fifth of the country's population. That means, 19.2 million youth, half of which are adolescents aged 15-19 sailing for adulthood in the next few years. (YAFS, 2013).

Many critical concerns affect adolescents that make a great impact on the society such as early marriage, maternal death, limiting access to education and employment, poverty, domestic violence, the threat of STI/HIV and AIDS, and many others. These issues represent a crucial and unique opportunity for the Commission on Population (POPCOM) to address the diverse needs of adolescents and young people today.

The AHYD program generally aims to contribute to the improvement and promotion of the total well being of young people by addressing issues related to adolescent and youth sexuality and reproductive health and rights. The program also aims to provide adolescents and youth with appropriate information and life skills to enable them to cope with problems related to the attainment of their full development into adulthood.

The Adolescent Health and Youth Development (AHYD) Component will feature independent films made by young people from 17 regions in the Philippines. The AHYD Independent Film Festival will be conducted in the national level, and all POPCOM Regional Offices are enjoined to send their entry for the film festival.

Now on its second year, the festival focuses on population, health and environment (PHE) and its relation to young people in the context of sustainable development. The theme for this year is, "Kabataan, Kalusugan, Kalikasan: Magkaugnay."

The film festival will be the venue to create awareness on the status of today's adolescents and young people. The festival will also be one of the many approaches of the agency in helping the young people in the crucial stage of their development so that they will grow into healthy, responsible, and productive adults.

Objectives

General Objectives

To heighten public awareness on AHYD and various issues affecting our youth today.

Specific Objectives

- To produce, package and disseminate films as part of advocacy materials for AHYD.
- To create a pool of communicators who can help promote PHE, Adolescent Sexual and Reproductive Health (ASRH) and sexuality education in schools and communities. This is aimed at preventing early sexual encounters, teenage pregnancy, and proliferation of Sexually Transmitted Infections (STIs) and HIV/AIDS.

Guidelines

The short films should have a running time of minimum of 15 minutes and maximum of 20 minutes including credits and disclaimer. This should revolve around the theme: **“Kabataan, Kalusugan, Kalikasan: Magkaugnay”**

The films will become property of POPCOM as communication and information materials for Adolescent Health and Youth Development program.

Grades 9, 10, and 11 students from public or private schools are invited to participate in the event. Only students of Grades 9, 10 and 11 should be hands-on in the whole production process including the shooting, acting and editing.

Only one entry per school and per region will be allowed.

A PHE and ASRH orientation and basic filmmaking workshop shall be conducted with participants. Attendance to the workshop is required. Those who cannot attend are disqualified from joining the contest.
