Dear Dr. Silva:

We believe that as future educators, our students have to undergo relevant and comprehensive training. We choose a venue that could give them the experience that they need, and we find your institution as the right place for their training.

The fourth Year Bachelor of Physical Education major in School Physical Education (BPE) and the BEED-Pre- School Education students of Cor Jesu College will be having a Seminar Workshop Training on Sign Language on August 26, 2016 Friday from 8:00am to 12:00nn at Edtech 1. The purpose of this activity is to bridge the gap of isolation and barriers among diverse learners through development of sign language skills.

In this line, we would like to invite Mrs. Richilie N. Solis, RMCES, SPED Coordinator who is the expert in the said field as our resource speaker. We would like also to ask permission to allow Mrs. Solis to conduct the training to our students. We trust that you are one with us in nurturing future teachers in Education that would soon teach the youth in our region.

Very truly yours,
