RE : NATIONAL SCIENCE CLUB MONTH CELEBRATION  
SEMINAR/WORKSHOP OF THE SCIENCE CLUB ADVISERS  
ASSOCIATION OF THE PHILIPPINES INC. (SCAAP)

DATE : August 29, 2016

1. Herewith is an invitation from Aurora R. Catabona, President of the SCAAP, regarding the National Science Club Month Celebration Seminar/Workshop on September 24-27, 2016 at Apo View Hotel, Davao City with the theme: "Climate Information: An Emerging Need for a Better Future".
2. The seminar-workshop aims to enhance scientific knowledge on climate information, shared challenge and threats of climate change, encourage and implement climate services to biodiversity, apply advancing climate predictions, improve awareness on the state of environment focusing on economic and social issues, determine climate risks and management, instill environmental values to students and involvement in worthwhile programs and projects for the environment and enhance climate challenge in the K-12 curriculum.
3. Participants on the said activity are Science teachers, Science club advisers, master teachers, head teachers, department heads, Science coordinators, supervisors, and Science enthusiasts from both public and private elementary and secondary schools. Their participation is **VOLUNTARY**, subject to no disruption of classes policy of the Department of Education and on **official time** only with **no DepED funds** to be utilized for the said purpose.
4. The details of the invitation are found in the hereto enclosed materials or email at [scs@deped.gov.ph](mailto:scs@deped.gov.ph). Interested participants may also contact at 0926-633-3928, 932-360-3897/0917-958-6479.
5. Dissemination of this Advisory is earnestly desired.

Dear Sir :

Greetings of Love and Peace from the SCAAP!!

Per Presidential Proclamation Nos. 28 and 264 declaring September of every year as the National Science Club Month and authorizing the Science Club Adviser's Association of the Philippines to implement plans and activities, the SCAAP in cooperation with the Department of Education will conduct the National Science Club Month Celebration Seminar/Workshop at Apo View Hotel, Davao City on September 24-27, 2016 with its theme " Climate Information : An Emerging Need for a Better Future".

The Seminar/Workshop aims to:

1. enhance scientific knowledge on climate information, shared challenge and threats of climate change;
2. encourage and implement climate services to biodiversity;
3. apply advancing climate predictions;
4. improve awareness on the state of environment focusing on economic and social issues;
5. determine climate risks and management;
6. install environmental values to students and involvement in worthwhile programs and projects for the environment and
7. enhance climate challenge in the K-12 curriculum ..

The SCAAP underscore the value of synergy in drawing strength from working with you to realize this yearly project for the National Science Club Month Celebration. In view of this, we are inviting you and your delegates to join us in the said Seminar/Workshop ..

Your utmost unwavering support to the SCAAP is an indication of your great concern for the science programs and upliftment of the science club movement in our country.

Thank you very much!

Very truly yours,

*Aurora R. Catabuna*  
**AURORA R. CATABUNA**  
President  
SCAAP - NEC

**NATIONAL SCIENCE CLUB MONTH CELEBRATION SEMINAR-WORKSHOP  
OF THE SCIENCE CLUB ADVISERS ASSOCIATION  
OF THE PHILIPPINES INC.**

The Science Club Advisers Association of the Philippines (SCAAP) Inc. will conduct the *National Science Club Month Celebration Seminar-Workshop* with the theme *Climate Information: An Emerging Need for a Better Future* from September 24 to 27, 2016 at the Grand Men Seng Hotel, Davao City.

The Seminar-Workshop aims to:

1. enhance scientific knowledge of the participants on climate information, shared challenge and human resources;
2. encourage them and implement climate services to diversity;
3. enable them to apply advancing climate prediction science;
4. help them to improve awareness on the state of environment focusing on economic and social issues;
5. enable them to determine climate risks and management; and
6. allow them to instill environment values to students and involvement in worthwhile programs and projects for the environment.

The target participants are Science teachers, Science Club advisers, master teachers, head teachers, department heads and coordinators in Science, administrators, supervisors and Science enthusiasts from both private and public elementary, secondary and tertiary schools.

Participation of both public and private schools shall be subject to the no disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time on Task and Encouraging Compliance Therewith*.
