Schools Division Superintendent

Digos City Division

Dear Sir Batoon,

Greetings!

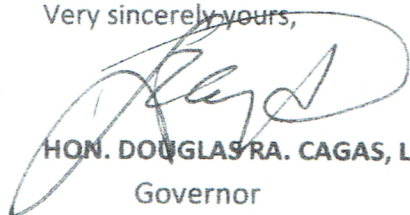

The right to suffrage is sacred. Its protection is equally important and is a noble social responsibility. This early election commotion has started to surface. Thus, preparation for mechanisms to safeguard votes from electoral fraud is imperative.

This coming September 3, 2018, the regular Monday Convocation of the Provincial Government will be maximized to educate the broadest number of people on electoral deceit. Former Congressman Glen A. Chong, an authority of automated election, will be invited to give lecture on the important topic to ensure truly credible local elections.

Along this line, we are requesting you as well as the District Superintendents, Supervisors, Principals and School Heads to attend the said Convocation. The Department of Education is the vanguard entity towards attaining this goal especially that teachers always serve as members of boards of election inspectors.

We hope, this will merit your affirmative action. Thank you!

Very sincerely yours,

HON. DOUGLAS RA. CAGAS, LLB, MBE, MNSA
Governor

HON. MERCEDES CHAN-CAGAS
Congresswoman
