Division Advisory No. 120, s. 2018  
August 6, 2018

**Pambansang Kapisanan ng Mga Kabataan Samahan ng Agham  
(Philippine Society of Youth Science Clubs, Inc.)**

1. Herewith is Regional Advisory No. 096, s. 2018 with the letter from Alicia Therese Dumlao, Site Coordinator, Philippine Society of Youth Science Clubs, Inc. (PSYSC), inviting high school science clubbers and teachers both of public and private schools to the National Science Club Summit (SUMMIT) on September 8-9, 2018 at Tagum City.
2. It is informed that participation of both public and private schools shall be subject to the non-disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 entitled "Instituting Measures to Increase Time-on-Task and ensuring Compliance therewith."
3. The participants of the public school advisers and students shall be on personal expense and time and no DepEd funds shall be utilized in their attendance.
4. Details of the activity are found in the enclosures.
5. For information, guidance and compliance.

Atty. Alberto T. Escobarte CESO III  
Regional Director  
Department of Education Region 11

Dear Atty. Escobarte,

Greetings from the Science Clubbing Movement!

The Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (PSYSC), Inc., the first and largest umbrella organization for science clubs in the Philippines, have been continuously working in delivering quality programs and activities to elementary and high school science enthusiasts across the nation to promote the core thrust of the organization, *the public understanding of science, technology and environment (PUSTE)*.

As mandated by Presidential Proclamation No. 264, the organization annually celebrates the **National Science Club Month (NSCM)** every September. This year's theme is "Wavefront: Accentuating Potentials, Activating Technological Advancements." Part of the month-long event is the **National Science Clubs Summit (SUMMIT)**, a one-and-a-half-day gathering for high school science clubbers and teachers designed to reach out to and provide the science clubbing experience for those who are not able to attend the other national events conducted by PSYSC. SUMMIT is composed of lectures, workshops and other exciting activities aimed at forwarding the thrust of the organization as well as developing camaraderie, leadership, and enthusiasm for science in our affiliates.

**This year's SUMMIT will be held on September 8 to 9, 2018 at Tagum City.** With this, we are inviting your office to grace the opening program on the morning of September 8 and deliver a short message of support to the science clubbing movement. We believe your presence and support would inspire our affiliates.

Moreover, we are humbly asking your help in getting the word about the event out to the schools under your jurisdiction through **a memorandum and/or an advisory in your region.** A summary of the event descriptions follows this letter.

We are looking forward to any help your office could extend for the success of this event. Please let us follow up on this matter, or you may reach out to us through the contact details provided here. You may call us at (02) 332 8151 and look for Ms. Rosalinda Aber (Administrative Assistant) or send an email to [summitcore2018@gmail.com](mailto:summitcore2018@gmail.com) if you have any questions.
