Schools Division Superintendent

Dear Sir,

Greetings in the name of our Lord Jesus Christ!

As the first pediatric orthopedic **charity hospital** in the Philippines and Southeast Asia, **CURE Philippines** seeks to reach out beyond Davao City, where the **Tebow CURE Hospital** is based. We perform procedures like **clubfoot correction, limb deformity corrective surgeries, scoliosis surgeries, burn contracture releases, etc.** The Tebow CURE Hospital has been in operation for over three years, having performed more than 3,000 subsidized surgeries for children with disabilities.

In this regard, we would like to ask your permission to invite or inform the schools under your supervision with students 18 years old and below with these kinds of disabilities and deformities. With our partnership with the Provincial Government of Davao Del Sur we have our free Mobile Clinic which will be held at **TABLIZO GYM, CAPITOL COMPOUND Barangay Matti, Digos City, Davao Del Sur on October 05, 2018** at 8:00 am – 2:00pm. We hope that you would allow us to visit your schools for our promotion of the said event.

Thank you for your kind attention, we look forward to working with you on this great endeavor. May God continue to empower you and your work for the schools in Davao del Sur. Thank you very much!

Sincerely yours,

JOSIAH PRANZA
