Schools Division Superintendent
Digos City

Dear Sir/Madam:

Greetings!

At the outset, we would like to extend our heartfelt gratitude to you for your wholehearted support to USAID IMAP-CMSU 2 project. Your support has resulted in the successful implementation of the various project activities. We would like to inform you that USAID extended the project to December 2019 in order to ensure sustainability beyond the project period.

As you know, IMAP is a DOH-accredited training institution. In the course of the CMSU2 project implementation, IMAP developed midwives who completed the Training of Trainers (TOT) courses of the different Family Planning and Maternal and Child Health and Nutrition (FP/MNCHN) training courses, and, who were eventually certified by the Department of Health Regional Offices. IMAP prepared this pool of trainers in order to meet the training needs of the organization itself and those of its partners, such as the Provincial Health Office (PHO).

In this regard, the USAID-CMSU2 project will have a **Formal Launch: USAID- IMAP-CMSU Training Program and Other Services on the 6th of December 2019 at Megan Function Hall, Digos City, from 8:00 am to 3:00 pm.** We would like to invite You and _____ to this event. This activity will bring together both public and private health sector stakeholders to formally witness the launching of the training program and endorsement of the trained IMAP trainers. IMAP training courses for 2020 will likewise be presented.

Thank you very much and we are anticipating for your favorable response on this matter.

For more information, please get in touch with our provincial coordinator Ms. Adelaida P. Legurpa with CP # 0906 347 6898.

Sincerely Yours,

PATRICIA M. GOMEZ
Program Manager
USAID IMAP CMSU Follow-On Project
