Dear Dr. Fetalvero,

The DOH- Davao center for Health Development in collaboration with the Department of Education has been implementing the Dengue- school based project on insecticide Treated Screen/curtain (ITS/C) for Dengue Prevention and Control. This project is an augmentation to the "search and destroy" advocacy of *Aedes* breeding sites nationwide to prevent and control the spread of dengue by eliminating the sources of mosquitoes.

This year, the National *Aedes* Borne Viral Diseases Prevention and Control -Dengue Program will be targeting six (6) National High Schools located in hot spots districts of each province.

Below are the schedule of orientations and details:

March 17, 2020 – Davao del Sur

Time: 9:00 -12:00 pm
Venue Hotel de Crisbelle, Digos City
Participants: 1 Principal; 1 Science Teacher Coordinator; 1 District Nurse per school

March 17, 2020 –Davao Occidental
