TESDA FREE ONLINE COURSE PROGRAM

To: To All SDO Personnel

1. With the Public Health Emergency declared by the President and subsequently the Community Quarantine by the LGUs, there is a need to provide employees with the opportunities for professional growth while on quarantine.

2. Along with this line, the Technical Education and Skills Development Authority (TESDA) offered free services for all Filipinos who want to learn new skills with the help of internet. The program, Free Online Courses, is created for students, out-of-school youths, unemployed adults, workers, professional, overseas Filipino workers (OFW) who would like to take TESDA courses at their own place and time.

3. The TESDA Online Program (TOP) is an open educational resource that aims to make technical education more accessible to Filipino citizens through the use of information and communication technologies. TOP provides an effective and efficient way to deliver technical education and skills development services to a broader audience/wide range of users/all learners at a lesser cost.

4. Attached is the procedure to follow on how to enroll in the program and the contacts of the TESDA.

5. All the SDO personnel are encouraged to enroll the program especially those who wish to widen their skills set. They can include this in their Work Week Plan as well as in the Individual Work Week Accomplishment.

6. For your information and guidance.
