**PROJECT DIGOSKWELA**

To: Asst. Schools Division Superintendent  
CID and SGOD Chiefs  
Education Program Supervisors  
Public Schools District Supervisors  
Elementary & Secondary School Heads

1. Guided with the Basic Education-Learning Continuity Plan (BE-LCP) of the Department of Education for School Year 2020-2021 and with the pronouncement of His Excellency, President Rodrigo R. Duterte, on no face-to-face modality in the conduct of classes, DepEd Digos City Division endeavors to find ways in order to comply with said mandates and to continue its mission of providing quality basic education amidst this health crisis affecting the lives of the whole Digosenses.
2. The desire to fulfill to the mandates has brought forth the idea of conducting classes through radio and television as one of the choices in the menu of learning delivery modalities offered for School Year 2020-2021. This project is in consonance with the newly proposed DepEd TvSchool and RadioSchool which shall comprise the Philippine Education Broadcasting Network.
3. The Digoskwela is a program which shall be developed from the basic principles of home schooling and virtual learning and anchored upon the concept of producing video and sound recordings to be delivered through TV and radio broadcast. In the absence of Face-to-Face learning, this program contemplates on continuously providing the learners the experience of engaging themselves in an actual teaching-and-learning process even staying at home or away from school.
4. Moving into the realization of this program, Digos City Division has successfully partnered with Sur Telemedia Network and DXDS & other radio stations, which shall bring the daily lessons to every learner in Kindergarten to Grade 12 who chooses the TV or Radio instruction modality.
5. In connection thereof, the field is hereby informed that Digos City Division will be producing instructional videos and radio broadcast recordings for Filipino Grade 3 using the Most Essential Learning Competencies (MELC) aligned to the ADM Modules assigned to and prepared by this Division. For this, the list of different committees is stipulated in the succeeding pages for compliance of all concerned.
6. The final TV & radio class schedules shall be announced to the field once provided by the Central Office.
7. For information, guidance and compliance.
