SUBJECT : Digital Literacy Workshop for the Personal Financial
Management Program Trainers

DATE : August 10, 2020

In line with the Department of Education's (DepEd) efforts to expand the scope of employee welfare to respond to the needs of our teaching and non-teaching personnel, the Employee Welfare Division (EWD) of the Bureau of Human Resource and Organizational Development (BHROD) developed the **PERSONAL FINANCIAL MANAGEMENT PROGRAM (PFM)**, a program that aims to address the financial wellness of DepEd employees.

Since 2018, the EWD, in partnership with the Bangko Sentral ng Pilipinas and the BPI Foundation, has conducted several National Training of Trainers (NTOT) for the implementation of this program. However, due the current situation, the use of digital tools must be utilized in the conduct of these trainings. In this regard, the EWD, in partnership with the BPI Foundation, will be conducting a webinar on *Digital Literacy* that aims to help our PFM trainers transition from face-to-face seminar to digital platforms.

The three-day webinar will be divided into four batches and will be conducted through Google Meet.

The identified PFM trainers (*Annex A*) who will be participating in this workshop are requested to secure the necessary authority to participate in the three (3) day session from their respective head of office and register online on or before August 24, 2020 through the link <https://bit.ly/2Cj5Fyo>. The webinar link will be emailed to the participants a day before their scheduled training.

To ensure that no classes are disrupted, only a selected number of school principals were invited to attend the said workshop. Consequently, School Division Superintendents (SDS) are requested to secure appropriate augmentation for the school principals who will be attending the said workshop online.
