1. This has reference to the Learning Delivery Modality Capacity Building Program under the Basic Education Learning Continuity Plan that the Department of Education (DepEd) is implementing through the National Educators Academy of the Philippines (NEAP), as contained in the attached Memorandum of the OSEC-NEAP-OD-2020-0827 dated August 7, 2020 from the Office of Director John Arnold S. Siena.
 2. The Program has two courses: the LDM1 which has the School and the Division Leaders as participants, and the LDM2 for teachers. Both courses have two major components – the pre-LDM implementation and the practicum. The first component involves the modules which contain the learning inputs that will lead to the learning outcomes. It is delivered mainly by guided independent study through self-learning modules, supported by peer learning through the Learning Action Cell (LAC) sessions, and strengthened by coaching. The second component involves the creation of individual portfolios that demonstrate the participants' desired learning outcomes relative to their professional standards. These portfolios can be used as Means of Verification (MOV) in the Results-Based Performance Management System (RPMS).
 3. Following the conduct of the LDM1 Course and the Orientation of Teachers on the LDM2 Course, the full implementation of the LDM2 Course is scheduled to start on **November 9, 2020**.
 4. All schools, or departments in the case of the Digos City National High School (DiCNHS), are expected to commence the preliminaries that include the creation of LAC groups and the planning of its activities. Each group shall have a maximum number of 15 members and shall have a Master Teacher (MT) or a Senior Teacher for its leader. The list/s of LAC groups with the leaders and members, and the plan

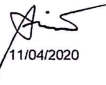

of activities shall be submitted to their School Heads (SHs), who shall also submit these to their **Division Coaches** on or before **November 11, 2020**

5. There are two types of coaches who shall provide inputs and motivation to the teachers: the **School Coaches** who are automatically the **School Heads**, except for the Digos City National High School (DiCNHS) wherein the **Department Heads** will take the role; and the **Division Coaches** who are their respective **Public Schools District Supervisors (PSDS)**; and the **Education Program Supervisors (EPS)** for the **DiCNHS' Departments** (e.g. the Math Department has the EPS for Math as its coach).
6. To keep track of the development of the Program's implementation, a Regional LDM Course Implementation Tracking System shall be managed in the Division by both the SMM&E and the HRD personnel. These trackers shall record **weekly** the number of participants and module completers (i.e., Trackers Nos. 1 & 3) and the training activities attended by the participants (i.e., Tracker No. 5). Only **one encoder per school (including DiCNHS)** shall do the encoding. The updating of the Trackers shall be done every Friday, the start of which is on **November 13, 2020**.
7. A virtual orientation of the **SHs and encoders** on the LDM Course Implementation Tracking System shall be conducted on Friday, **November 6, 2020** at 9:00AM to 11:00AM. The link shall be announced later.
8. The timeline of the LDM2 Course, which shall be the basis for your Plan of Activities, is divided into two:
 - a) **Part I : Pre-LDM**
 - Modules 1-4 (31 to 37 hours) **November 9 to December 9, 2020**
 - b) **Part II : Practicum (LDM Implementation)**
 - Module 5 and Portfolio Building **December 10, 2020 to January 31, 2020**
9. For your guidance and compliance.
