To: CID Chief
Education Program Supervisor Concerned
Public Schools District Supervisors
Elementary and Secondary School Heads
Teachers Concerned

1. As stated in DO No. 8 s. 2015, the Policy Guidelines in Classroom Assessment for the K to 12 Basic Education Program, assessment should be used to inform and improve classroom practices and promote learning outcomes. However, in distance or blended learning environments, it is necessary to utilize alternative tools and strategies for assessing and supporting learning, while avoiding creating undue pressure on teachers, learners, and their families.
2. In this light, teachers are expected to design performance task assessment that develops optimal learning experiences and assess learning progress effectively under adverse circumstance.
3. As such, identified teachers are advised to attend the planning conference on designing performance task assessment in English on January 20, 2020 at 10:00 a.m. via this google meet link: meet.google.com/vrq-iwue-pqv
4. Communication expenses incurred by the participants in this activity shall be charged against local funds/School MOOE, all subject to the usual accounting and auditing rules and regulations.
5. Attached is the List of the Participants.
6. For information, guidance, and compliance.
