Bajada, Davao City, 8000 Davao del Sur

Dear Regional Director Farnazo:

Greetings of peace!

The Department of Science and Technology will commemorate this year's National Science and Technology Week on November 22-27, 2021. All agencies and regional offices of the DOST will be one in celebrating this annual event. Several activities are lined-up to showcase all the innovations, researches and latest inventions of the men and women in science as well as the services being offered by the department to the Filipino people. This year's theme is: "Agham at Teknolohiya: Tugon sa Hamon ng Panahon".

The Philippine Science High School System (PSHSS), as an attached agency of DOST, joins this celebration and has prepared a quiz bee titled: "NSTW Sci-Math Battle 2021". It is an academic quiz bee for Grade 5 students. Our request letter to Secretary Briones dated June 28, 2021 with tracking number 44863, has been forwarded by the office of Usec. San Antonio to the Publications Unit for DepEd advisory (see attached file). While waiting for the advisory on the NSTW Sci-Math Battle in the DepEd website, we would like to seek assistance from DepEd regional offices for endorsement to expedite the process of disseminating our event to the Division Offices.

In the Davao Region, the PSHS - SMC is tasked to organize the "Davao Regional Sci-Math Battle 2021" to select the participant who will represent the region at the national level.
