Dear **SDS Epe**,

The City Government of Digos has always been exerting its best efforts to provide efficient and effective health services. It is intent in its commitment to serve and provide premium care for its populace, with the end in view of improving the lives of its people.

Following the successful turn-out of the country's first simultaneous vaccination drive against Covid-19 from November 29 to December 3, 2021, President Rodrigo R. Duterte hopes for the same result for its second round **on December 15-17, 2021**, enjoining all Filipinos to support the program, and to take part in lowering the infection rate in our country.

As such, we would like to partner with you and take an active role to vaccinate every Digoeseño, by the mobilization of your hospital vaccination team (Health Screeners, Vaccinators, Post Vaccination Monitors) during the 3-day campaign to identified vaccination sites.

Ms. Hope Abajero, OCAD, will coordinate with you closely on your team's involvement and confirmation after receipt of this letter, and will facilitate your participation to the vaccination drive, or you may call her cellphone number (0949) 354-9765.

We hope for your positive and favorable approval on our request. Please accept my thanks in advance for the present and previous collaboration and partnership we have to help our city achieve the target of vaccinating most of its bona-fide residents.

Very truly yours,

  
**JOSEFF CAGAS**  
City Mayor  
City Government of Digos
