TAGUM COOPERATIVE

"where people invest their trust"

December 13, 2021

CRISTY C. EPE
Schools Division Superintendent
DepEd Digos City Division

Dear Ma'am Epe,

Tagum Cooperative, being a key stakeholder of the community, recognizes the need for continuing quality education despite the on-going pandemic. Thus, TC strengthens partnership with the Department of Education through the unparalleled support to the latter's programs, projects and activities, especially on the Brigada Eskwela.

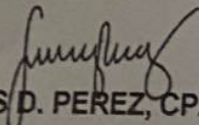

The Brigadahana may have been scheduled in August to September but its spirit lives on and extends through the Christmas season. With this, we are delighted to inform you that Tagum Cooperative will be donating one hundred sixty (160) pieces of solar-powered transistor radio and one hundred sixty (160) pieces of USB devices to your Division Office. We plan to have a Ceremonial Turn-Over of the said items within December 13-18, 2021, subject to your availability.

Tagum Cooperative is dedicated to serve the community and is transparent in its endeavours, thus, may we humbly request for your office to provide us in advance, the list of the intended recipients of the above mentioned items before the actual turn-over ceremony. May we further request that a Representative from each of the recipient schools be invited during the said event. Your presence is also highly anticipated which will symbolize our genuine partnership in youth empowerment.

We hope for your positive response to this letter and our TC Digos Branch Manager – Francisco D. Vilamor will be very glad to coordinate with your office as to the details of this request through mobile number 0998-5800-059.

Thank you and Godbless!

Respectfully yours,

JURIS D. PEREZ, CPA, MBA
Chief Executive Officer
