SCHOOL OF ENGINEERING AND ARCHITECTURE (SEA) FAIR 2022

TO: CID and SGOD Chiefs
Public Schools District Supervisors
Public and Private Secondary (Junior and Senior) School Heads
All Others Concerned

1. Attached is the DepEd Region XI Advisory No. 030 dated February 23, 2022, regarding the invitation from Jose Javier F. Salvador, School of Engineering and Architecture (SEA) Representative for its SEA Fair 2022 in an online set up to schools with junior and senior high school.
2. Participation to the activity shall be on official time only and subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9. S. 2005 entitled: "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith."
3. Other details of the activity are in the enclosures.
4. In compliance with DepEd Order (DO) No. 8, s. 2013 this advisory is issued not for endorsement per DO 28, s. 2001, but only for the information of DepEd officials, personnel/staff, as well as the concerned public.

22 FEB 2022

✓ 11-4✓

Dear Sir Farnazo:

Greetings!

The *School of Engineering and Architecture (SEA)* of the *Ateneo de Davao University (AddU)* showed its firmness and resilience towards its vision and mission in showcasing the different capabilities and expertise of each of its departments, namely: Architecture, Aerospace Engineering, Civil Engineering, Chemical Engineering, Computer Engineering, Electrical Engineering, Electronics Engineering, Industrial Engineering, Mechanical Engineering, and Robotics Engineering. In this light, the AddU-SEA will be holding its annual **SEA Fair 2022**. It comprises different educational activities to inspire and motivate the students from the basic education to pursue higher studies and makes engineering and architecture their options. While it was a tradition to hold the event on a face-to-face basis, having these circumstances, we will still push through celebrating the annual **SEA Fair 2022** in an online set-up. We did it last year, and we will make it more extraordinary this year.

The Engineering and Architecture Student Executive Council (EASEC) is the student organizing body of the AddU-SEA and will be spearheading these events. In line with this, we are inviting schools within Region XI to participate in the following events:

SEA FAIR 2022

Events	Date	Online Platform
Minecraft Series: Into the Biomes	March 7-11, 2022	Zoom, Discord, Minecraft Server
CAD and Code	March 8, 2022	Discord, Zoom

SCHOOL OF ENGINEERING AND ARCHITECTURE

ENGINEERING AND ARCHITECTURE STUDENT EXECUTIVE COUNCIL
ATENEO DE DAVAO UNIVERSITY
E. SACINTO STREET, 8016 DAVAO CITY

Intro to ME-Verse	March 8-11, 2022	Zoom, Discord, Minecraft Server
GUHIT: Sketch Wars	March 9-10, 2022	Zoom
Watercolor Rendering	March 9-11, 2022	Zoom
QuEAzzicle	March 11, 2022	Discord, Facebook
AmazEAng Race	March 11, 2022	Zoom

We would like to seek your endorsement for the events. Attached herewith are the mechanics for the abovementioned activities. Should you have any inquiries or any related matter, please contact **Xyrelle Mae P. Solijon (0996-497-2106)**.

We are hoping for your favorable response regarding this matter and for your support in the endeavors of the AddU- SEA. Thank you and more power!

Respectfully yours,

JOSE JAVIER F. SALVADOR
SEA Representative
EASEC 2021-2022

CONCEPT PAPER

- I. **Project Title:** School of Engineering and Architecture (SEA) Fair 2022
- II. **Project Head:** Jose Javier F. Salvador
SEA Representative
- III. **Rationale:**

Anchoring on Ateneo de Davao University's mission and vision to strengthen science and technology instruction, research, and technopreneurship in Mindanao, the Engineering and Architecture Student Executive Council would like to provide an avenue for students to hone their skills and knowledge in the fields of Engineering and Architecture through participating in different scholastic activities in the form of a fair. As our society continues to develop in the field of Engineering and Architecture, we rediscover how we are able to turn complex ideas and design into reality. The growing demand for Engineers and Architects all over the world signifies the stipulation for high-grade outputs. Consequently, the need to promote the quality of our education in these fields must be emphasized to cope with these demands. The AdDU-SEA has consistently been producing excellent students and masterpieces ever since. To continue this glory, this Virtual Fair shall inspire and encourage incoming college students to pursue a career in the fields of engineering and architecture.

This year, the EASEC will hold its annual SEA Fair with the theme: **EAmerge: Evincing ideas, inspiring greatness**. This event shall highlight the uniqueness of each course from the School of Engineering and Architecture, and significantly help give emphasis to the importance of attaining higher education in engineering and architecture fields, considering the growth of our country. This week-long event will consist of numerous inter-school and interdepartmental activities, which will showcase the skills and talents of students from various participating schools all over Mindanao.

After more than 2 years of transitioning into the online setup, we have evidently become more well-adjusted to be able to conduct events that we were used to being held physically, online. To comply with the COVID-19 restrictions, the SEA Fair 2022 will be mainly held in an online setup and still make it possible. Overall, this event shall function as a medium to promote the courses under AdDU-SEA to incoming university students and be able to produce more exemplary engineers and architects in the future.

IV. Objectives:

- a. To concentrate on the significance of SEA in terms of national growth.
- b. To showcase each participant's various talents and skills in completing different individual and group activities.
- c. To provide an avenue for the School of Engineering and Architecture to promote their courses to incoming higher education students.

SCHOOL OF ENGINEERING AND ARCHITECTURE

ENGINEERING AND ARCHITECTURE STUDENT EXECUTIVE COUNCIL
ATENEO DE DAVAO UNIVERSITY
E. JACINTO STREET BORDA DAVAO CITY

V. Success Indicators

- a. Invited schools across Mindanao will have an active participation in the events.
- b. EASEC Officers shall be able to perform their tasks exquisitely.
- c. Event evaluation from the participants reached a satisfactory rating of 3 to 5 for every aspect (i.e. content, technical, and program flow).

VI. Mechanics:

a. General Information:

Day 1

Date: March 7, 2022

Time: 3:00 PM - 9:00 PM

Platform: Zoom, Facebook

Day 2

Date: March 8, 2022

Time: 8:00 AM - 9:00 PM

Platform: Facebook, Discord

Day 3

Date: March 9, 2022

Time: 8:00 AM - 9:00 PM

Platform: Facebook, Discord

Day 4

Date: March 10, 2022

Time: 9:00 AM - 9:00 PM
