DR. CRISTY C. EPE, CESO V
Schools Division Superintendent
Division of Digos City

Dr.Epe:

The University of Mindanao is in support of DepEd's Work Immersion Implementation for all senior high schools during the COVID-19 pandemic. The current crisis limits the learners' opportunities from reporting to work immersion partner institutions, performing duties and tasks, and experiencing the usual pre- and post-immersion activities.

As a proactive response of the university to this problem, we provide free webinars to Grade 12 students that will discuss various topics related to Work Immersion Subject. These topics will cover the key learning areas of the subject, such as Writing a Winning Cover Letter and Resume, How to Ace the Interview, Work Ethics, Social Media Etiquette, Career Opportunities, Business Research and Product Development (ABM), Capstone Project Ideas (STEM), Research and Creative Portfolio (HUMSS/GAS), Food Processing and Technology, Cookery, Information and Communication Technology, Electronics and Automotive Servicing (TVL), among others. Moreover, the university will conduct culminating activity to all participating schools to award the best in Immersion Portfolio and Interview and more interesting contests with big surprises await students.

In view of the above purpose, we are asking for support and approval from your end to allow the Grade 12 students of your division to join the webinar series on their preferred schedule. Students can choose their preferred schedule and register thru this link <https://tinyurl.com/SHSImmersionWebinarSeries2022>. For queries and clarifications, you may contact Benjie D. Maynopas at 09275826710 or email him at uminformationassistant@umindanao.edu.ph

Looking forward to your favorable response on this matter.

Respectfully yours,

DR. REYNALDO C. CASTRO
Vice President
