Dear SDS Epe,

Greetings of Peace!

In preparation for the May 9, 2022 National and Local Elections, the undersigned most respectfully requests your good office *for the Department of Education's School Nurses in schools assigned as voting centers to report for duty on May 9, 2022.* This is upon the request of the City Disaster Risk Reduction Management Council (CDRRMC) Head Mr. Samuel Miralles who expressed his concern over the lack of medical/first aid responders during election day. Further, the disaster action teams of school are also requested as first aid responders for voters and electoral boards. As per the Final City Joint Command Conference, the CDRRMC will provide one (1) first aid responder per school and standby rescue teams. The School Nurses requested to be present will work as multiplier of medical force.

Thank you very much.

Respectfully yours,
