Ma'am:

Greetings with love and peace!

One of the shared impressions we had during our first Division Federated Barkada Kontra Droga face-to-face meeting last May 18, 2022, is the advocacy to make a difference as leading examples in touching and molding the lives of the youth through information dissemination. As bestowed by the Division Federated Barkada Kontra Droga President, Mr. John P. Millan, during his presentation, we came to an agreement to schedule a **Coastal Clean-up Drive at Barangay Aplaya, Digos City, Davao del Sur on June 11, 2022**, that falls on a Saturday from **5:30 a.m. to 8:00 a.m.** the participants for this activity will be the Division Federated Barkada Kontra Droga teachers-advisers together with the Digos City Philippine National Police and Bureau of Fire Protection (BFP).

This activity aims to engage people, especially the youth and the community in the Digos City Division, on the implications and values of extending help to rid away trash and debris from beaches, waterways, and other water bodies and to promote awareness of the level of the marine debris problem that we encountered here in Digos City, Davao del Sur. This activity also encourages environmental awareness and a sense of responsibility among the youth and the community. Thus, minimum health standards will be strictly followed throughout the activity; facemasks will be worn at all times, and the use of personal alcohol for hand sanitation is strictly required. Lastly, gloves and sacks are required to be brought by the participants for this activity.

Given this, we would like to formally ask permission from your good office to conduct our activity on the said day, time, and venue and request a one-day service credit to those teachers-advisers, and participants who will attend and participate in making the activity possible. We are looking for a positive response regarding this matter. Thank you, and God bless!
