1. DepEd Order No. 43 s. 2017 or The Teacher Induction Program (TIP) Policy is issued to serve as a guide in the implementation of TIP. The program is institutionalized to provide a systematic and comprehensive support system for teacher inductees to seamlessly immerse them to the teaching profession in the public school system. Based on the results of the study conducted by Penafiel (2020), there are several considerations and concerns raised by the respondents as regards the implementation of TIP that may be considered for policy enhancement such as but not limited to selection of mentor, proper orientation in the school level, revisiting of TIP Modules, and the implementation plan in the school.
2. This revision from TIP to IPBT is aimed to i) strengthen the orientation for teacher inductees; ii) review the program modules to streamline content and avoid duplication of content topics; iii) make monitoring and evaluation systematic, organized, and relevant; and iv) adapt a detailed implementation plan.
3. The School Governance and Operations Division (SGOD) thru the Human Resource Development in collaboration with the Curriculum Implementation Division (CID) will conduct Capacity Building on the Implementation of Induction Program for Beginning Teachers (IPBT) for School Leaders (Supervisors and School Heads) and for Mentors (Master Teachers) on the following dates within Digos City:
