Dear Dr. Farnazo:

Greetings from ETCOR Educational Research Center!

As part of our advocacy in fully embracing the culture of research, we would like to invite teachers, school administrators and other professionals from your region to publish their research articles in our international research journal, the **International Journal of Open-access, Interdisciplinary and New Educational Discoveries of ETCOR Educational Research Center (IJOINED ETCOR)**. This journal is registered in ISSN National Center of the Philippines – Bibliographic Services Division of the National Library of the Philippines with ISSN 2945-3577. It is currently indexed in the Google Scholar and in the EuroPub Academic and Scholarly Research Publication Center – England. Our indexing applications for this journal are on-process.

IJOINED ETCOR is a scholarly, open-access, international, quarterly, peer-reviewed, online journal that publishes research articles that contribute to human and societal development through excellent academic and scientific findings. IJOINED ETCOR's interdisciplinary nature adheres to the global challenge for all educators and industry practitioners to value the integration of various disciplines in their studies in order to arrive at a holistic understanding of a phenomenon or an inquiry. Thus, while the journal accepts articles on knowledge from different disciplines (multidisciplinary), it gives high regard to studies that deal with knowledge within and across disciplines.

IJOINED ETCOR aims to serve as an instrument and an avenue for all educators and industry practitioners to disseminate the findings of their studies and be part of the global challenge for everyone to embrace the culture of research.
