ALL OTHERS CONCERNED**

FROM: EPIMACO V. DENISING III
Undersecretary and Chief of Staff

SUBJECT: Invitation to Episode 3 of Research O'clock 2022: Finding the Right Blend: Interventions on the Blended Learning Modality

DATE: September 12, 2022

The Department of Education (DepEd) through the Planning Service - Policy Research and Development Division (PS-PRDD) will conduct its annual research dissemination forum, the **Research O'clock**, which promotes the use of research results in decision making and provides DepEd personnel an avenue for information sharing and open discussion. Since its inception in 2018, 25 sessions have been conducted with a total of 82 topics presented, primarily from studies funded by the Basic Education Research Fund (BERF) and research results from external stakeholders such as UNICEF, Innovations for Poverty Action, and the University of the Philippines to name a few.

With the full transition to in person classes in basic education, the theme of Research O'clock 2022 is "**Finding the Right Blend: Interventions on the Blended Learning Modality**", in line with DepEd Memorandum No. 54 s. 2022, which will focus on the evidence and lessons learned during the implementation of distance learning modalities and will showcase current interventions in the blended learning modality.

In line with this, we would like to invite you to attend the third episode of the virtual forum with the topic "**Reinforcing positive learning environment**", highlighting research results related to the psychosocial support to learners and ensuring learners' overall well-being. The upcoming episode will be held this **September 27, 2022 from 9:00 AM to 12:00 PM** which will be live streamed via the DepEd official Facebook page and Youtube channel.

Moreover, the research outputs are uploaded in *E-Saliksik* (e-saliksik.deped.gov.ph), DepEd's official research portal, and previous episodes of the Research O'clock may be viewed at the Department of Education official Facebook page any time through the following links:

- Research O'clock 2022 - Episode 1: *Learning from the results of pilot implementation of face-to-face classes in the Philippines* - bit.ly/RO2022ep1
- Research O'clock 2022 - Episode 2: *Exploring teaching and learning interventions in blended learning for elementary learners*- bit.ly/RO2022ep2
