Dear Dr. Farnazo:

Greetings from the Aloysian Professional Community!

The **EDUCATORS' LINK** of the **Aloysian Publications** with ISSN 2782-859X duly recognized by the National Library of the Philippines, Professional Regulations Commission, National Press Club of the Philippines, and the Department of Education has established its reputation being the leading publication for teachers in the country. In two years, it has proven its advocacy – capacitating teachers and bringing them to the top!

This publication serves as a forum for issues and concerns about education. **EDUCATORS' LINK** is a platform for airing Filipino teachers' voices to the world as well as advocacy for educational equity and professional advancement.

Moreover, the implementation of the Philippine Professional Standards for Teachers (PPST), Philippine Professional Standards for School Heads (PPSSH), and Philippine Professional Standards for Supervisors (PPSS) came at a perfect time when DepEd is instituting reforms to respond to a changing landscape in education. It enables us to achieve a kind of teacher quality that is well aligned with new requirements triggered by the K to 12 reform, ASEAN integration, globalization, and the evolving character of 21st-century learners.

With our intention of providing the teachers, school heads, and supervisors with a **PLATFORM FOR FORUM and SPEAKERSHIP**, Aloysian Publications (Philippines) in collaboration with BETMA English (Vietnam) is spearheading the **2022 INTERNATIONAL SCHOOL LEADERSHIP AND MANAGEMENT TRAINING (I-SLAMT)** with the theme: *Reexploring Educational Leadership and Management: Theory, Policy, and Practice (A Hybrid Engagement)* slated for October 28-30, 2022 via Zoom Cloud Meetings hosted and stationed in Manila, Philippines.

To ensure the success of this nationwide undertaking, we would like to propose a partnership in your region by sponsoring the issuance of a DepEd Advisory to cascade this international undertaking to the field. Thank you and we are looking forward to your usual support to us.
