Dear Dr. Farnazo:

Greetings from the Ayala Foundation, Inc. (AFI), the social development arm of the Ayala Group of Companies. We are committed to helping improve lives through our key program areas, such as Education. Through our partnership with the Department of Education, we continue to provide access to quality education and support it's **Sulong EduKalidad** program and the implementation of the region's/division's Basic Education Learning Recovery and Continuity Plan (BE-LRCP.)

In celebration of National Reading Month, we will be conducting the 6th Magiting DigiCon, entitled, "**Gurong Magiting: Kaagapay sa Pagbuo ng Isang Bansang Nagbabasa**". The Digital Magiting Conference is part of Ayala Foundation's Maging Magiting program, which promotes love of country and encourages Filipinos to take pride in their rich history and culture. Launched in 2018, the Maging Magiting program is implemented in partnership with the Department of Education (DepEd), the National Historical Commission of the Philippines (NHCP), and Chooks-to-Go.

This year's digital conference gathers educators across the nation, with the intent to provide teachers a rich literacy base to build a Reading Recovery framework and cultivate a culture of reading. This conference aims to address the learning gaps and losses brought about by the pandemic and provide continued opportunities for teachers to upskill and reskill as we embark, as a country, on the road to recovering learning.

We would like to invite literacy teachers from Region XI to participate in this online event that will be conducted on **November 25, 2022, 9:00 – 11:30 AM via Zoom**.

We have attached an overview of the program for your initial review and reference. We would greatly appreciate if your good office could formalize the dissemination of the 6th Magiting DigiCon through a memorandum for distribution to the schools in your Region. We hope that through the memorandum, we can reach more teachers and maximize this opportunity to provide DepEd teachers with a professional development opportunity on reading recovery.

Thank you, as always, for your support of our education programs; we look forward to your favorable response in this matter. Should you have further questions or clarifications, please feel free to reach **Ms. Jai Astilla, Program Lead for CENTEX Training Institute**, through landline (02) 7759-8288, mobile 0932-8566185 or e-mail at astilla.js@ayalafoundation.org

Respectfully yours,

Maria Mia Farrah J. Falcis
Manager, Educational Development
