Good day!

We are the UP Physics Association, an academic organization based in the National Institute of Physics, University of the Philippines Diliman. For more than 40 years, we have constantly organized projects and events that advance the study, awareness, and appreciation of physics among students and the general public.

We requested last 30 January 2023 to the Regional Director of DepEd Region 11 an endorsement of our online Physics quiz bee entitled **PISIKAAalaman 2023** among senior high schools across your region. Attached below are the communication letter made last 30 January 2023 and the primer of the said contest.

We would like to inform you that registration has now started. **Interested teams may register in the following link:** <https://tinyurl.com/PISIKAAalaman2023Reg>. Moreover, the quiz bee will be moved to **06 May 2023, Saturday**. Here are the important dates to remember:

- 01 March 2023: Start of the registration period
- 08 April 2023: End of the registration period
- 06 May 2023: Competition proper

The mechanics and guidelines of the online competition remain the same. We will also be announcing the date of the orientation for the participants soon.

Thank you very much and we hope for a positive response at your earliest convenience.

Warm greetings from UP Physics Association!

The **UP Physics Association** (UPPA) is an established non-profit, academic organization based in the University of the Philippines - Diliman committed to the promotion and development of Physics inside and outside the university. For more than 40 years, the UPPA has constantly organized projects and events that advances the study, awareness, and appreciation of Physics among students and the general public.

The UPPA will once again organize **PISIKAalaman 2023**, an annual inter-high school Physics quiz bee, now to be held virtually/online that is geared for the K-12 curriculum of the Philippines. Since its inception in 2004, this event has been striving to provide an alternate way for students to excel in Physics through a competitive activity and to encourage them to pursue science-related programs in the future, especially Physics in the tertiary level.

Having these in mind, we are humbly requesting your office to assist us in the **promotion of PISIKAalaman 2023 to senior high schools across the region**. The event will be held **online** using a video conferencing software on **29 April 2023 (Saturday)**. Details regarding the meeting ID and password as well as the other additional softwares needed throughout the entire event will be updated to the teams who will register. Interested schools may register in this link: <https://tinyurl.com/PISIKAalaman2023Reg>

Attached is a copy of the event primer that presents the mechanics and flow of this online quiz bee. Should you have any questions, please contact us via uppa-org@nip.upd.edu.ph or through any of the given contact details in this letter.

Thank you for your kind consideration.
