Undersecretary

SUBJECT : Participation to the Department of Health's Online Survey on the "Access to Primary Care Facilities and Services of Government Employees and their Immediate Family"

DATE : 08 March 2023

The Department of Health (DOH) is conducting a research project entitled "Access to Primary Care Facilities and Services of Government Employees and their Immediate Family" which aims to determine evidence-based policy recommendations to aid policy makers and legislators to strengthen and improve access to quality primary healthcare facilities and services of government employees and their family members. One of the research methodologies is a cross-sectional study wherein the research proponents will conduct surveys using a stratified random sampling. The survey intends to generate feedback from government employees on their access to health services and to identify factors that inhibit or contribute to health service utilization.

In connection thereto, the DOH through the Bureau of Human Resource and Organizational Development - Employee Welfare Division would like to invite DepEd employees in all governance levels, both teaching and non-teaching, regardless of employment status, rank, gender, age, ethnicity, including PWDs, to participate in this endeavor by accomplishing the survey form through this link <https://tinyurl.com/DOHNRCPResearch2022> or through the QR code below on or before March 24, 2023.

Rest assured that all information in the survey form shall only be used for the said purpose and shall adhere to the provisions of the data privacy act.

For questions and concerns, please contact Ms. Marge Latosa of the Employee Welfare Division through office number (02) 86337229/8635-3760 or email bhrod.ewd@deped.gov.ph.

Thank you.
