Subject : **SCHOOL-BASED DEWORMING ACTIVITY**

Date : March 28, 2023

In compliance with the issuance of the Office of the Undersecretary Memorandum No. 00-0322-0020 dated March 2, 2022, titled Resumption of the Delivery of School-Based Health Services and DepEd Order 10. s 2016 Policy and Guidelines For Comprehensive Water, Sanitation And Hygiene In Schools (Wins) Program wherein all public schools are directed to resume and conduct School Based Deworming activities.

As such Deworming activities shall be conducted semi-annually (1 Quarter and 3 Quarter of Calendar Year) by the health personnel or teacher in the presence of the health personnel. It should be ensured that consent forms must be distributed and retrieved by the class advisers before drug administration. In addition, it should be ensured that all children for deworming are well, have no history of hypersensitivity to the drug, and should be fed prior to the administration of the deworming drug. A Mop-up Activity will be conducted to facilitate learners who are absent or sick during the activity in the school. The activity should be in coordination with the Department of Health and Local Government Units counterparts to ensure logistics and other essential supplies are available and adequate to all learners.

All health personnel are mandated to conduct health services and activities in schools in coordination with the school head for the schedule of activities and services as long as there will be no disruption of classes.

Accomplishment reports shall be submitted every 10 day of May for the 1" dose and the 10 day of November for the 2 dose. Templates can be access at <https://tinyurl.com/DEWORMING-FORMS>.

In this regard, in view of the full resumption of face- to face classes in the basic education sector, all Offices are enjoined to provide full support to their School Health and Nutrition personnel in initiating/participating in/ continuing their roles including the conduct of providing health services, health and nutrition promotion and advocacy activities, and monitoring and inspection of health and safety in schools.
