Good day, Sir!

**GUILD OF EDUCATORS IN TESOL INTERNATIONAL INSTITUTE** is a progressive knowledge generating institution that is internationally -recognized for quality English language trainings, seminar, workshops, and conference. It aims to provide relevant, quality, and accessible seminar; to deliver innovative, and interactive workshops, and, to produce highly competitive and functional trainings for teachers and other professions. GET International Research Journal aims to promote English language education to educators across all disciplines, to provide excellent training in language education through open learning, seminars and workshops, to enable the educators to be expert in the teaching of English to speakers of other languages and to be a leading center of excellence in the continuing professional development for teachers and other professions locally and internationally. The following ISSN licenses were obtained in the year 2023: ISSN: 2984-7176 (Print) | 2984-7184 (Online). GET International accepts publications in English language research articles.

As we look forward to the coming years, we can see that research production will strive to develop in the intellectual body of the education field. Hence, the organization will hold its first international research conference online with the theme **"Leveraging Research Culture Across Innovative Discipline Towards Greater Utilization and High-Impact Publication"**. The online forum will be on April 21-23, 2023. With this, we sincerely request your support in our first international conference in any way you can. It is with great pleasure that we would like to invite the teachers in the region to attend the conference and present their research papers.

The GET International is also open for research engagement partnerships in terms of international publication.

Attached here are the guidelines for the research conference. Kindly disseminate the information to your colleagues and students.
