SIR:

Greetings in the name of peace and solidarity!

Anchored on the theme, "**Contriving Innovation, Utilization, and Mainstreaming Through Research and Development,**" the Jose Maria College Foundation, Inc. will be conducting the annual Student Research Congress (SRC 2023) on June 9-10, 2023. The activity aims to engage student researchers across various disciplines and at different points in their research endeavors; showcase new developments in terms of the institution's research culture and provide avenues to disseminate the findings of their scholarly works. Further, it will also cater to friendly and scholarly competitions among the various academic colleges of the school as well as the various senior high school students in Davao City.

Anent to this, I would like to request and seek endorsement from your good office for the official invitation to the Senior High School students in the region both from public and private institutions. There will be a plenary session related to the theme, as well as parallel sessions in current research on social science, information technology and engineering, business and management, health sciences, natural sciences, arts, language, literature, and education will be discussed.

Since this is a competition, there will be a minimal Registration Fee of Php 200.00 only for the participants, and P 500.00 for the Oral Paper Presenters and e-poster participants to defray the expenses for the cash prizes of the winners, honoraria of the resource speakers, adjudicators, technical support, and other operational expenses that may incur during the event. Also, I have attached herein the program flow for your perusal.

May this letter merit the kind consideration of your endorsement to promote and enhance research culture in various academic campuses both public and private that generate research relevant to the research various agenda and are responsive to the needs of society.

Thank you and more power!

Very truly yours,

Dr. Josefina D. Ortega
VP for Research Development & Publication
