Schools Division Superintendent

Department of Education, Division of Digos City

Dear Ma'am Epe:

Kalinaw!

The Philippine Science High School is committed in advancing a premier high school STEM education for the people. To materialize this, the Virtual Outreach Program of PSHS-SMC is once again conducting a webinar for all elementary mathematics and science teachers across the region. This event dubbed "**FILL THE GAP: A Forum on the Student's Critical Thinking Skills in Learning Mathematics and Science in the Post-Pandemic World**" will be conducted on **May 17, 2023 (Wednesday), 1:00 – 5:00PM via Zoom Teleconference.**

This forum aims to discuss the current critical thinking skills of the students in learning Mathematics and Science after spending the past two years studying from home with their modules as main basis of acquiring knowledge. The following are the topics to be discussed:

- a. Student's perception towards learning in the post-pandemic world
- b. Critical Thinking Strategies in Learning Mathematics
- c. Critical Thinking Strategies in Learning Science
- d. Sharing of teaching practices from a public elementary school teacher

Participation is open to all public elementary school math and science teachers across Region XI. No fee is charged for participation and e-certificate will be given.

In line with this, we humbly ask your assistance in disseminating this information to your science and math teachers under your division. Interested participants may register at <https://zoom.us/meeting/register/tJUrf-qupjvHN37ikbHxmzTr8rtpbTO7kUy>.

The program of activities is attached herewith for your reference.

For any questions and clarification, kindly contact Ms. Michelle Anne C. Belenson, our Virtual Outreach Program Coordinator at mascocamas@smc.pshs.edu.ph or through her cellular phone number +639380346569.

We are hoping for a positive response.

Thank you very much.
Keep healthy and safe!

Sincerely,

DR. JONALD P. FENECIOS
