## MESSAGES

Assalamualaikum.

My warmest greetings to the Class of 2023 for the successful culmination of your academic endeavors.

This milestone attests to the hard work and perseverance you have exemplified as you embark on another journey leading you to the realization of your aspirations of a better life and a better future.

I join your families and academic communities in celebrating this achievement.

We recognize their valuable role in your growth and development as well-rounded individuals — preparing you to face the demands of higher learning or navigate the complexity of life as successful professionals.

I am with you in forging a path toward progress even as you continue to live by the tenets that have guided you in your academic training and inspired you to pursue excellence as young leaders.

May the knowledge and skills you have gained serve as your springboard for greater success and inspire you to become catalysts of transformative social growth within your respective communities.

I hope you will realize the depth of your potential and the power that you now possess as young educated Filipinos — and use this not only to achieve your dreams and change your lives for the better, but also help our fellow Filipinos and our country.

As future leaders and builders of our nation, may you become persistent, determined, and committed to the fight for peace, security and stability, the ending of poverty, the campaign to give Filipino children access to basic education, the protection of the environment, the promotion of health and nutrition, and many other challenges that we are facing today.

Consistent with our vision in the MATATAG agenda, we will continue to promote programs and uphold reforms that will nurture resilient mindsets so that we can hone young Filipinos who have the capacity and resiliency to thrive in challenging circumstances.

The grit and resilience of Filipino learners amid the difficulties of everyday life will continue to inspire us and empower us in building an education system that responds to the changes of our time.

Through an inclusive education that is forged by a positive learning environment, I am optimistic that we can continue to produce competent young citizens like you who will help steer our nation's path to sustainable development.

Let this milestone remind us of the indispensable role of education in charting the course of our youth's future and in harnessing their potential to become outstanding individuals.

This year's graduates have done a great job of channeling their passions into endeavors that will enrich their pursuits and advance their respective vocations and professions.

As you move into the next chapter of education and leave the halls of your alma mater, it is my hope that you will unceasingly work hard to become active stakeholders in our nation-building efforts.

Together with our academic partners in all education levels, let us remain committed to promoting our youth's strong sense of nationalism so they can be part of a productive and responsible citizenry that will help chart the path of our nation's growth.

Again, congratulation to the Class of 2023!

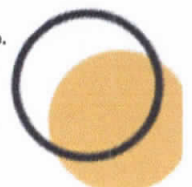

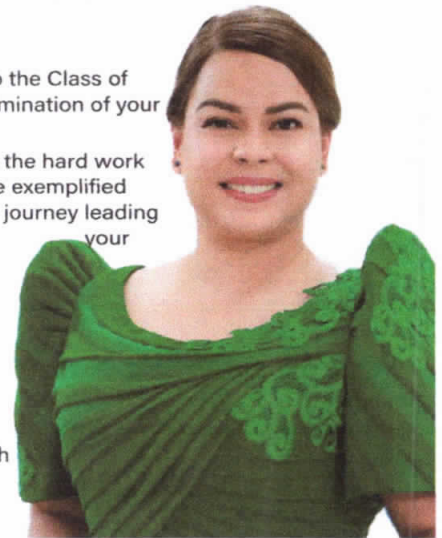

May you continue to pursue your ambitions with zeal, persistence, and excellence and use it to create a better future for all.

Sama-sama tayong magsumikap abutin ang ating layunin:  
Bansang makabata, batang makabansa.

Lahat- para sa Diyos, bayan, at pamilyang Pilipino.  
Shukran.

**SARA Z. DUTERTE**

Vice President of the Philippines  
Secretary of the Department of Education

My heartfelt and MATATAG na congratulations to all our graduates!

Your journey for this school year ends here, but you must have collected new and meaningful learning experiences inside the school. The two-year non-in-person classes due to the pandemic that hit us had many effects. But all these made us strong and the foundation that was built molded us to always be prepared and resilient. We can now face life ahead undaunted by challenges.

The Department of Education is focusing on the MATATAG agenda, giving emphasis on the curriculum, services, learner well-being, and support to teachers. The Department wants to build a strong education system. This is all because of you, our dear graduates. The government wants to rebuild and make a stronger nation by starting with you.

With this year's theme, "Gradweyt ng K to 12: Hinubog ng Matatag na Edukasyon" (K to 12 Graduates: Molded through a Resilient Educational Foundation), we are investing in a quality education that will make each one of you value life and the wide and limitless opportunities. Have the courage to choose the right options to live better lives while you continuously recognize the values you learned in school.

Your experiences during the COVID times and post-COVID times made you strong. You are now more prepared to face any challenges. Your ideas and actions are great contributions to defining the future of our nation. This is why we look forward to the next generation of leaders coming from a resilient educational foundation.

As Nelson Mandela, a great leader, said, education is the most powerful weapon which you can use to change the world. So, sail on. Use the knowledge you learned, the skills you honed, the attitudes you developed, and the values you internalized in your life. All these will guide and inspire you as you navigate through life.

May God bless your journey.

**ALLAN G. FARNAZO**  
Regional Director

Future ready.

This is how I envisioned the graduates of Class 2023. I always look forward for the realization of your full potential and that someday you meaningfully take part in building this nation.

The Department of Education has always been clear to its vision, mission and goals that no matter how difficult the country's health situation is, DepEd has always been responsive to your holistic needs.

I was once a living witness of how you battled the new set-up of learning during pandemic and this was a manifestation that you have developed resiliency in you.

To Class 2023, my warmest congratulations! Difficult times may be odd but the other side of it lies the strength, hope and determination in you. Those trying times of yours will help you do your unfulfilled goals for in the process it shaped you to the person you are today.

May you be a leading figure in one of the critical components of the MATATAG Agenda that makes the curriculum relevant in producing competent, job-ready, active, and responsible citizens.

Keep your standards high and take education as a fuel that emboldens you to face greater steps for yourself, for family and for your country.

God Bless and Congratulations!

**MELANIE P. ESTACIO, CESO VI**  
Schools Division Superintendent

Message for Graduation

It is my greatest pleasure to congratulate the graduates for the success of your educational endeavor for school year 2022-2023!

Through the years, you have consistently manifested the three tested-and-proven formula for success; perseverance, determination, and hardwork, for with them, obstacles and trails never became hindrances to the pursuit of your dreams and aspirations.

Least we forget, this success is not yours alone, for you have your parents, mentors and teachers to thank for. Their inspiring support and immeasurable sacrifices sustained you to the finish line and made quitting never an option.

Nevertheless, be rest assured that we, in the City Government of Digos will relentlessly work for your welfare. As God has blessed you through the years, may He also bless us to make our beloved Digos be - a City of Choice; to live, to work and visit.

Congratulations and Mabuhay!

# Graduation Song

## Akin na 'To

Song by Denise Barbacena

SA DAMI NG NAPAGDAANAN  
NAHANAP KO  
MGA SAGOT SA 'KING  
TADHANANG MAPAGLARO  
DI MAN LAHAT AY NANIWALA  
PILIT KONG SINUBOK ANG  
PANGARAP KO

BALAKID AY DI INIWASAN  
TINAHAK KO, DAANG INUKIT  
PARA SA MGA KATULAD KO  
DI PIPIGLAS, HAARAPIN ANG  
ANUMANG PAGSUBOK  
NANG TAAS NOO

*PRE-CHORUS:*  
NATATANAW KO NA'NG BUKAS NA  
MALIWANAG  
BAKIT PA BIBITAW KUNG  
KAKAYANIN NA

TULUY-TULOY, HINDI TITIGIL  
KAYA PA, WAG MAGPAPIGIL  
SIGE LANG, HAHAKBANGIN KO  
ANG DAAN PATUNGO SA  
PAIKOT-IKOT KONG LANDASIN  
PARA SA BUHAY NA AKING  
NAIS MAABOT, HINDI NA HHIINTO

LAKAS NA PINANGHAHAWAKAN  
AY NARITO  
HAHARAPIN ANUMANG LABAN

NG PUSO KO  
BAWAT DAAN NA LALAKARAN AY  
SIMBOLO NG PAGSISIKAP KO

*PRE-CHORUS:*  
NATATANAW KO NA'NG BUKAS NA  
MALIWANAG  
BAKIT PA BIBITAW KUNG  
KAKAYANIN NA

TULUY-TULOY, HINDI TITIGIL  
KAYA PA, WAG MAGPAPIGIL  
SIGE LANG, HAHAKBANGIN KO  
ANG DAAN PATUNGO SA  
PAIKOT-IKOT KONG LANDASIN  
PARA SA BUHAY NA AKING  
NAIS MAABOT, HINDI NA HHIINTO

AKIN NA 'TO  
AKIN NA 'TO  
AKIN NA 'TO  
AKIN NA 'TO

## Tribute Song

### Sagot sa Dalangin

Song by Maricris Garcia

DI KO MAN MAGAWANG  
MAIPAGMALAKI  
ANG PINAGMULAN, AT  
AKING NARATING  
MAY ISANG BIYAYANG  
NAGMULA SA BITUIN  
DI MAPAPANTAYAN NG  
ANUMANG HANGARIN

*PRE-CHORUS:*  
LAHAT NG MAKAKAYA AY  
SA'YO IBIBIGAY  
AT LAHAT NG KAKAYANIN PA  
SA'YO IAALAY

IKAW ANG AKING TALA SA  
GABING MADILIM  
IKAW ANG BAWAT SANA SA  
LAHAT NG HILING  
SA HIRAP MAN O SA SAYA, AY  
TUNAY NA IKAW PA RIN  
SAGOT SA AKING DALANGIN

ANG 'YONG KAMAY SA'KIN AY  
NAGBIGAY KAHULUGAN  
LUMALABAN AKO UPANG IKA'Y  
GABAYAN

*PRE-CHORUS:*  
LAHAT NG MAKAKAYA AY  
SA'YO IBIBIGAY  
AT LAHAT NG KAKAYANIN  
PA SA'YO IAALAY

IKAW ANG AKING TALA SA  
GABING MADILIM  
IKAW ANG BAWAT SANA SA  
LAHAT NG HILING  
SA HIRAP MAN O SA SAYA, AY  
TUNAY NA IKAW PA RIN  
SAGOT SA AKING DALANGIN

PANGAKONG HABANG-  
BUHAY AY HINDI  
PAKAKAWALAN  
NANDITO LANG AKO,  
HABANG IKA'Y NARIYAN

IKAW ANG AKING TALA SA  
GABING MADILIM  
IKAW ANG BAWAT SANA SA  
LAHAT NG HILING  
SA HIRAP MAN O SA SAYA, AY  
TUNAY NA IKAW PA RIN  
SAGOT SA AKING DALANGIN.
