Melanie P. Estacio

OIC- Schools Division Superintendent
Department of Education – Digos City

Dear Dr. Estacio,

Malikhaing pagbati!

The Arts Research and Training Institute in Southern Tagalog, Inc, in partnership with Linang Culture and Arts Network and the National Commission for Culture and the Arts, is holding the **10th Malikhhaing Guro International Conference Caravan on Culture-Based Education** this September 9, 16 and 23 at FEU Cavite, Letran Manaoag, and UP Los Banos, respectively.

The Conference, which started in 2014, aims to gather educators, pedagogues, cultural workers, and arts practitioners across the nation and surface their various practices, emerging perspectives, and challenges to the different modalities of cultural education. Over the last nine years, the Conference, with the support of the Department of Education and the University of the Philippines Los Banos, provided a venue for more than 400 teachers in basic and higher education to present their researches and cultural education resources to their colleagues. At least 3,000 educators and cultural workers have participated in the annual Conference, and paved the way for their active engagement in cultural education activities and its continuing discourses.

On its 10th year, the Conference will take a different turn in the context of local and global shifts in knowledge production, dissemination and utilization. Aligned with UNESCO's Education for Sustainable Development, this year's theme is **Food Security, Heritage, Biodiversity, and Culture-based Education**. The Conference will be travelling to three different sites with the hope of bringing together more institutions in upholding and promoting cultural education as a practice in the Philippines. This year's conference will be in a hybrid mode, giving participants the choice to join in-person or via an online meeting platform.

We would like to request your good office to endorse the Conference to your constituents and encourage them **to attend the conference and/or present their researches and lesson exemplars that are related to the theme.**

Your endorsement of the project via a memorandum or an advisory would be a big push for our educators to engage actively in the exchange of emerging ideas and practices that are relevant to the UNESCO ESD agenda and responsive to the needs of our schoolchildren, their respective families, and communities.

Attached are the details of the Conference for your reference. You may also visit the Conference facebook page <https://www.facebook.com/MGInternational>, or email us at malikhaingguro@gmail.com.

Sincerely,

RICAMELA S. PALIS
