DepEd Region XI

Dear Director Farnazo:

Greetings from the Gokongwei Brothers Foundation (GBF)!

GBF is dedicated to contributing to the country's progress by providing quality education to our future workforce, particularly in the fields of Science, Technology, Engineering, and Mathematics (STEM). We aim to uplift the quality of STEM Education of learners through building competencies of STEM Educators.

GBF's STEM Collab is an engaged community, a peer-learning platform, and a capacity-building program for STEM Educators. By being part of our community, members will have free access to the following:

- PPST-aligned webinars streamed live via our Facebook page
- Meet-ups and synchronous open space discussions held via Zoom
- Our library of teaching resources, classroom materials, and LAC session guides
- Certificates, awards, and prizes for outstanding members and *paandar* winners.

We are pleased to invite you to become part of our advocacy by helping us reach more educators who can benefit and participate in the learning activities. As such, we would like to request your support in the following:

- Promoting our program to your constituents through your information channels
- Permission to co-stream our webinars on your official Facebook page

We have attached with this letter the full description of the GBF STEM Collab Program, including our 2023 calendar of webinar topics and registration guidelines.

Thank you so much for this opportunity to work together and build the future through education.

Walang imposible para sa bayan!

Very truly yours,

Candice D. Jungao, LPT, MA.Ed.
